TORONTO EAST NEWCOMER SERVICES (TENS)

Jobs In-Demand (Job Market GPS) Navigate Canada's job market with confidence and clarity. This information session equips participants to understand NOC and TEER systems, explore in-demand occupations, and strategically align their international experience and transferable skills with Canadian job opportunities.	Careers Transition Strategies This workshop provides an overview of career transition strategies for newcomers entering the Canadian labour market. Participants will learn how to identify transferable skills, explore alternative career pathways, manage transition risks, and develop a practical career transition plan.	Personal Branding & Professional Image This workshop equips participants to define their personal brand, enhance their professional image, and optimize their LinkedIn profile for success in the Canadian job market.
Resume Clinic <i>In collaboration with Malvern Family Resource Centre</i> Participants will learn how to develop a strong, Canadian-style résumé that highlights transferable skills and meets employer expectations. The workshop covers ATS-friendly formatting, customization strategies, and tips for tailoring résumés to specific job postings.	Career Licensing Navigator This information session supports internationally trained professionals in understanding pathways into regulated professions in Canada. Participants will learn about credential assessment, licensing requirements, bridging programs, and alternative career options while pursuing licensure.	Pathway to Licensing IEP Pharmacists <i>In collaboration with Ontario College of Pharmacists</i> This information session provides an overview of the Pharmacist licensing process in Ontario, including eligibility requirements, application steps, experience assessment and professional membership. Participants will also learn about processing timelines
Remote Work Ready Skills This is an interactive online workshop designed to help participants succeed in virtual work environments. Participants learn practical tools and strategies to enhance productivity, adaptability, and confidence while working remotely.	Volunteering as a Path to Employment <i>In collaboration with Volunteer Toronto</i> This workshop explores how volunteering can help newcomers gain Canadian work experience, build professional networks, and improve their chances of finding paid employment. Participants will learn how to choose the right volunteer opportunities that match their career goals and how to present volunteer experience to employers.	Job Search Tools Mastery Learn how to navigate the Canadian job market using today's most effective job search platforms. This workshop equips participants how to search strategically, set up job alerts, manage applications, and explore remote and flexible job opportunities while avoiding job-search burnout.
Interview like a Pro This practical in-person workshop helps participants prepare for job interviews. Learn how to answer common, job specific, culture fit and behavioral interview questions using the STAR method, master interviews practicing mock interview.	Career Reboot & Reinvention This workshop equips participants to identify transferable skills, explore career pivot strategies, and take practical steps toward rebuilding confidence while creating a clear and realistic career action plan.	Career Licensing Navigator This information session supports internationally trained professionals in understanding pathways into regulated professions in Canada. Participants will learn about credential assessment, licensing requirements, bridging programs, and alternative career options while pursuing licensure.
Build Professional image on LinkedIn An interactive session designed to help job seekers leverage social media for personal branding. Learn how to create a strong LinkedIn profile, start meaningful conversations, and share content that enhances visibility and job opportunities.	Careers in Healthcare: Unlock your potential An information session designed to navigate different careers in healthcare, identify your best fit, exploring the various roles available across clinical, administrative, and support functions align with their transferable skills and develop a practical strategy for career success in Canada.	Careers in Education: Alternative Careers for IEP Educators An information session designed to help internationally educated educators explore alternative careers in the education sector, identify their best fit, and learn about the various roles available across teaching, administrative, training, and support functions. Participants will discover how their transferable skills align with these opportunities and develop practical strategies for career success in Canada.
Teaching Career Licensing Navigator <i>In collaboration with Ontario College of Teachers</i> This information session equips internationally trained education professionals to navigate licensing pathways, with guidance from the Ontario College of Teachers on the application process and tips for a successful certification journey.	Interview like a Pro This practical workshop helps participants prepare for job interviews. Learn how to answer common, job specific, culture fit and behavioral interview questions using the STAR method, master interviews practicing mock interview.	Networking for Job Opportunities An interactive workshop focused on building meaningful professional connections. Participants learn practical networking strategies, how to access the hidden job market, LinkedIn, volunteering, and professional relationships to support their career goals.

PLEASE BE ON TIME FOR YOUR SESSION!
